WELCOME MESSAGE

Dear NLCS Community,

Where Curiosity Continues Beyond the Classroom

At NLCS Dubai After School Club, we believe that the end of the school day is an opportunity for children to unwind, connect with friends, and continue exploring the world around them. Our programme offers a caring and stimulating environment where every child is encouraged to play, create, discover, and grow at their own pace.

Inspired by the values of NLCS Dubai and the IB Primary Years Programme, our sessions are thoughtfully designed to nurture curiosity, creativity, and wellbeing through a balance of active play, imaginative experiences, and meaningful interactions. Whether children are building, creating, reading, or simply enjoying time with friends, each afternoon is an opportunity to develop confidence, independence, and a lifelong love of learning.

We look forward to welcoming your child and sharing many happy afternoons filled with friendship, discovery, and fun.

Regards,
NLCS - ASC Team
